

How to Log in to Art Class

This video will explain how to log in to your art and dance classes and find your course.

1. You can find the link to your Youth in Arts visual arts class on your teacher's Google Classroom. Click on the link and you will be taken to the login page.
2. Enter your SRCS email address under "username" and the password "srcsart" using all lowercase letters with no spaces. Click "Login".
3. You're now on the course page for your art class. Scroll down to see all of the videos and activities that are available and click on the one you want to use.
4. Once the video has ended, you can choose to watch it again by clicking replay, or click "next" to move on. Make sure to complete the reflection questions after each section so your Mentor Artist can respond!
5. To get back to all of the videos for this class, click "Back to course page".
6. To view your profile page and check your progress, messages from your Mentor Artist, or other courses you're signed up for, click "me" in the top bar and choose "Profile" in the dropdown menu.
7. Have questions? Email Program Director Kelsey Rieger at kelsey@youthinarts.org for help.
